North Wales, PA 19454

OBJECTIVE: To obtain a full-time position in a field related to information technology and media. Interests include application development, Web site creation and Internet-based media.

EDUCATION: **The Pennsylvania State University, Schreyer Honors College** University Park, PA
Bachelor of Science, Information Sciences and Technology Expected May 2009
Bachelor of Science, Economics Cumulative GPA: 3.99

EXPERIENCE: **Merrill Lynch New York, New York**
Equity-Linked Technology Summer Analyst — June 2008 – August 2008

- Developed a framework to simplify source code compilation into business-deliverable software; estimated to save dozens of software developer hours
- Released new features to simplify maintenance of an order management software system within three weeks of arrival
- Received the highest possible rating on final performance review

The Daily Collegian State College, Pennsylvania
Web Editor — September 2007 – May 2008

- Responsible for organizing and editing news content, including photo, audio and video reports, on a Web site that averages over 19,000 unique visits a day
- Managed a team of three Web developers, a designer and an assistant editor
- Deployed and trained staff to use a new Web publishing system
- Collaborated with business division to optimize Web advertising, increasing annual revenue by thousands of dollars
- Integrated a wiki-based intranet to streamline information sharing among over 200 staff members
- Set seven new monthly site traffic records; won awards from the Pennsylvania Newspaper Association, Society of Professional Journalists and Associated Collegiate Press

Reporter — September 2005 – May 2007

- Wrote over 100 stories on campus administration, student government and crime and courts
- Blogged about local nightlife; received the most traffic of any of the paper's blogs
- Recipient of the Damon M. Chappie Award for investigative journalism
- Co-winner of the second-place Keystone Press Award for ongoing news coverage

Old Lane, LP Radnor, Pennsylvania
Application Developer — May 2006 – August 2006, May 2007 – August 2007

- Developed a Java and Oracle-based data acquisition system that gathers data from over 20 different sources using Web scraping and Web services
- Created an ASP.NET Web-based front-end for the system that traders regularly consulted when making \$100,000+ transactions
- Streamlined accounting by linking Excel spreadsheets directly to the company's database

SKILLS:

- Web hosting configuration, search engine optimization, project management, convergence journalism, audio and video reporting
- **Programming/Markup Languages:** Extensive development in HTML, CSS, ASP.NET, C#, VBA, Java, SQL; familiar with PHP, Ruby, Perl and Python
- **Software:** Movable Type, WordPress, Google Analytics, AdSense, Audacity, Vegas, Final Cut, Soundslides, Microsoft Office, Adobe Creative Suite, Windows, Linux, Macintosh

HONORS:

- Eagle Scout, Boy Scouts of America
- High School Valedictorian
- Selected for the UWIRE 100: "The best and brightest student journalists"
